How we began

In 1982, God showed our founder Gustav Scheller (a Swiss businessman living in Bournemouth with his wife, Elsa), that it was His plan and purpose to bring the Jewish people back to Israel and that He would use him to help do so. In 1991, in Jerusalem, the Lord again spoke to Gustav saying: 'Now is the time to start helping my people to return from the land of the north'. Gustav understood the Biblical "land of the North" referred to Russia and all the countries of the former Soviet Union (fSU). We set up our head office in Bournemouth and Operation Exodus was born.

Prayer

Operation Exodus is an Intercessory Ministry called to a Prophetic task. Preparing the highways through prayer is at the very heart of the ministry and removing the 'stones' is a vitally important part of the building plan! (Isaiah 62:10). Ebenezer is a work of intercession, so it has a worldwide

prayer family with an ongoing need for new members. Without the commitment to intercessory prayer, we would be unable to work. Every step taken has been through prayer; every door that has opened to advance the work has been an answer to prayer. Are you called to stand with us as a 'Watchman on the Wall'?

In the UK

We teach in Churches about God's ongoing purposes for the Jewish people and how we as Christians can be involved through intercessory prayer, giving and serving. We have regional representatives across the UK and a range of publications including our quarterly bulletin. We also partner with the Jewish Agency for Israel to assist Jewish people from the UK to go to Israel. If you would like further information, or you would like to get involved, please fill out and return the attached reply slip.

Operation Exodus is an instrument of the Lord, to encourage and help the Jewish people to return to the Land of Israel from the land of the North and all the nations and to proclaim God's Kingdom purposes for their return.

Operation Exodus

A Christian ministry helping Jewish people return to Israel

Prophecy being fulfilled

In an amazing fulfilment of Biblical prophecy, Jewish people from all over the world are returning to Israel after being scattered for nearly 2000 years! Over three million have returned since the founding of the State of Israel in 1948. There is no parallel or precedent in the history of mankind for the ingathering of a people after being scattered from their country for so long. This is a miracle that only God could do! Since 1991 Operation Exodus, a ministry of Ebenezer Emergency Fund, has been part of this miracle helping Jewish people return to Israel.

Our ministry

Our mission is to be “an instrument of the Lord, to encourage and help the Jewish people return to the land of Israel from the land of the north, and all the nations, and to proclaim God’s Kingdom purposes for their return”. Although our work began in the former Soviet Union (FSU), we now help Jewish people from other countries including the UK, USA and South Africa return to Israel. We have representatives in forty countries and have helped over 125,000 Jewish people return to Israel so far.

Practical help

In the former Soviet Union, our teams find and encourage Jewish people to return to Israel in fulfilment of Biblical prophecy. We share scriptures about God’s covenants and His promises to them. We provide practical information and assistance with obtaining the necessary documents which can involve lengthy journeys to visit the Israeli consul to receive permission to go. We provide ground transportation to help them catch their flights to Israel. Jewish people who return to Israel are said to be making ‘aliyah’ which is a Hebrew word which can be translated as ‘ascent’.

Love In action

In our operational areas, we demonstrate “Love in Action” in very practical ways to support vulnerable Jewish people by providing many tons of much needed humanitarian aid each year. We help the poor and needy - some of whom are Holocaust survivors - with clothing, food and medical supplies. This is an invaluable ministry nurturing trust and building bridges. In Israel, our office helps those who have returned to adapt to their new life there. We visit them in their homes, comforting them, and giving them the support and love they need.
